LLS Fighting With Fashion 2010

06/16/2010 - By New York, NY

[print](#)[add to date book](#)[email to friend](#)

The Leukemia & Lymphoma Society's young professionals group, Society Ties, fought blood cancer with style at its second annual Fighting with Fashion event held Wednesday, June 16th at PRANNA.

250 guests attended the event and enjoyed an open bar generously sponsored by Solerno blood orange liqueur, Milagro's tequila, Magners Cider, and Wente Vineyards; a fashion show sponsored by City Model & Talent and featuring the designs of AprilMarin,

Aspetto, and Will Hunter; and a trunk show featuring jewelry from Made with Love and **Nyla-Star**.

In addition, guests had the opportunity to join the DKMS bone marrow registry. Bone marrow transplant is a common treatment for blood cancer, but finding a suitable match for patients is difficult, as only 2% of all Americans are on the registry. 69 people became potential life-savers by joining the registry at this year's Fighting with Fashion event. In addition, the event \$9,000 raised for The Leukemia & Lymphoma Society, which will be used to support blood cancer research and patient services.
